Publications of the World Health Organization enjoy copyright protection in  
accordance with the provisions of Protocol 2 of the Universal Copyright Convention.  
All rights reserved.

The designations employed and the presentation of the material in this publication do not imply  
the expression of any opinion whatsoever on the part of the Secretariat of the World Health Organization  
concerning the legal status of any country, territory, city, or area or of its authorities,  
or concerning the delimitation of its frontiers or boundaries.

The mention of specific companies or of certain manufacturers' products does not imply  
that they are endorsed or recommended by the World Health Organization in preference to others  
of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products  
are distinguished by initial capital letters.

The authors alone are responsible for the views expressed in this publication.

The International Agency for Research on Cancer welcomes requests for permission to  
reproduce or translate its publications, in part or in full. Applications and enquiries should be addressed  
to the Editorial & Publications Service, International Agency for Research on Cancer,  
which will be glad to provide the latest information on any changes made to the text, plans for new editions,  
and reprints and translations already available.
